

Summit 32

Privacy for all family members

Offering four bedrooms, two bathrooms, three living areas and a study, the Summit adds value to family living. Its kitchen, meals, living area compliments a private alfresco, accommodating for the busy modern family. With a private rumpus/living area surrounded by three bedrooms, the Summit offers peace and privacy for all family members. The parent's retreat can efficiently transform into a home theatre, music room or library; the perfect opportunity to personalise your home. Ideally suited for harnessing the sun on an east-west facing block.
