

Wellington 24

Contemporary Chic

The Wellington 24 is a modern family home designed for comfort and connection.

At the heart of the layout, the open-plan kitchen and dining area create a warm space for everyday living and entertaining. The main bedroom offers a private retreat with its own ensuite, while three additional bedrooms provide room for family or guests. A practical mudroom and laundry keep things organized, and the double car garage adds convenience and storage. The Wellington 24 perfectly balances style, space, and functionality for contemporary family life.
